

# January 2026

Happy New Year, everyone, and welcome to January. I hope the holidays treated you well and that you are as ready as I am to turn the page and get rolling on a new season.

For those I have not officially addressed in this role yet, I am honored to be stepping in as Governor this year. This club means a lot to me, and I am excited to help guide us forward while building on the strong foundation that already exists.

Before we look ahead, we need to take a moment to recognize what this club accomplished. This year's results speak for themselves. Three men and one woman finished in the Top 15 Overall. I was fortunate enough to secure the Overall Regional Championship for the men, but that only happens with a strong club behind you. As a group, we finished a very close second in the region. Three of our members placed in the Top 10 in Autocross, three finished in the Top 10 for Rally, and two earned Top 10 spots in Funkhana. On top of that, three members are currently tied for the top positions in the Concours trail.

All of that added up to a Top 20 national finish, and that is something every single one of us should be proud of. These results did not happen by accident. They came from showing up, supporting each other, volunteering, competing, learning, and putting in the work. Whether you were chasing points, helping run events, or just being present and engaged, you played a role in this success.

I am excited about what we can do together this year. If this past season proved anything, it is that Capital City Corvette Club belongs in the conversation at every level. Let's keep that momentum going.

*Remember to Wave,*

Kyle Felts

Governor, Capital City Corvette Club
