

# April 2026

The Michigan Region Awards Banquet was a great reminder of that. It was a daytime event this year, which seemed to fit the crowd just right, and it gave us a chance to recognize the effort behind the season. Capital City was well represented. I was honored to be named Regional Champion, alongside Angela Hyde, Kevin Mead, Tom and Michelle Faupel, Tim Wells, and Kim and Sue Keith, all recognized for their accomplishments this year. A special thank you to Angela as well for helping host the banquet. She did an outstanding job, and it showed in how smooth and enjoyable the event was for everyone there.

Looking ahead, don't forget to get registered for Convention. This year brings us to Niagara Falls, the Baseball Hall of Fame, and plenty of Corvette fun along the way. If you've never been, this is one of those experiences that really shows what NCCC is all about.

On the Governor's Garage side, NCCC 101 is now live, along with an episode covering the Awards Banquet. There is also a steady stream of shorts and Corvette content coming out to keep things fun and engaging between events. If you have been watching, I appreciate it. Make sure to like, subscribe, and drop a comment. Even something simple helps push it out to more people.

We are also continuing to build on the digital side as a club. If you have not joined our Facebook group yet, now is a good time to get plugged in. For autocross, we are taking a step forward by moving registration to MotorsportReg. That will help streamline things and make it easier for everyone to get signed up and stay informed.

On top of that, we have some great support coming in. Adados has stepped up with a \$1,000 tire certificate, which is a strong addition to what we are building this season.

And speaking of the season, 2026 competition is right around the corner. If we can get out early, stay consistent, and keep showing up the way this club does, there is a real opportunity in front of us. Club of the Year is not out of reach, it starts with participation, event by event, weekend by weekend.

*Remember to Wave,*
